

**Faculty Supervisor Verification Form
For Thesis Corrections Completion**

The original signed verification form should be returned to the Program Administrator.

The faculty supervisor(s) may send an e-mail to the Program Administrator in lieu of this form to verify that the thesis submitted to the program by the student is a final corrected version.

This is to confirm that the student indicated below has completed all the corrections required/recommended by the Thesis Examination Committee.

Name of the Student: _____

Student ID: _____

Faculty Supervisor's Signature

Date

Faculty Co-Supervisor's Signature

Date

Deadline to return the signed Verification Form

See "final date to clear outstanding graduation requirements" date on Important Dates page (Graduate Studies website) and return the form to the Physics Office BEFORE the final date.

www.ryerson.ca/graduate/currentstudents/calendarsanddates/importantdates.html

Students will NOT be permitted to graduate if all items required to clear graduation requirements are not received on time.
